Ophthalmic Business Council

2021 – 2022 | Connecting Academy and industry leaders for more than 25 years

Protecting Sight. Empowering Lives.®

Lead the Conversation

The Ophthalmic Business Council (OBC) is an excellent way for leaders in the ophthalmic community to connect and share ideas. Membership in the OBC gives you the opportunity to:

- Collaborate with key stakeholders on ways to **improve patient care**
- **Network face to face** with Academy leaders, physicians and industry experts
- Engage in timely conversations about **critical issues facing ophthalmology**
- Successfully navigate **reimbursement and policy issues**

Symposia

OBC Spring Symposium **April 9, 2021** **Virtual**

Hear the latest first-hand from experts on FDA, Medicare and reimbursement issues. As the speed of innovation grows, this event helps you navigate the complexities of introducing new technologies and treatments to patients.

OBC Fall Symposium **September 9-10, 2021** **San Francisco**

Held in conjunction with the Academy's Board of Trustees meeting, this event covers the timeliest and most relevant issues facing ophthalmology today. In-depth presentations and open-forum discussions allow you to hear from all perspectives: physician, industry, health policy and government. The Fall Symposium is the perfect way to gain meaningful insights from key players.

Priority Points – Earn Additional Points

As of Jan. 1, 2019, exhibitors now receive additional priority points for Academy and Foundation sponsorship support and for aggregate advertising spend. Coming soon this year, the Academy will announce a new calculation of priority points for aggregate Academy and Foundation support and advertising spend with no limits on the amount of priority points earned in a calendar year.

Aggregate Academy and Foundation sponsorship support and advertising spend includes:

Academy Sponsorship and Foundation Support

- Sponsoring any Academy programs.
- Sponsoring any Foundation activity, including the Orbital Gala
- Membership in the Ophthalmic Business Council
- Making an in-kind asset-transfer donation to the Foundation (e.g., product donation to the Orbital Gala).

Advertising

- Running a digital or print ad in *Ophthalmology*, *Ophthalmology Retina*, and *Ophthalmology Glaucoma*.
- Running a digital or print ad in *EyeNet* Magazine or any of its related publications, such as AAO 2021 News, *EyeNet* Selections
- Supporting an *EyeNet* Corporate Lunch.
- Running a digital ad on AAO.org or in an Academy e-newsletter.
- Reserving a promotional opportunity at the Academy's annual meeting.

About the American Academy of Ophthalmology aao.org

The American Academy of Ophthalmology is the world's largest association of eye physicians and surgeons. A global community of 32,000 medical doctors, we protect sight and empower lives by setting the standards for ophthalmic education and advocating for our patients and the public. We innovate to advance our profession and to ensure the delivery of the highest quality eye care.

American Academy of Ophthalmology Foundation aao.org/foundation

For more than 40 years, the Foundation of the American Academy of Ophthalmology has raised funds to support the Academy's educational, quality of care research and service programs. These include the Ophthalmic News and Education (ONE®) Network, the Hoskins Center for Quality Eye Care, Truhlsen-Marmor Museum of the Eye®, and the award-winning public service program, EyeCare America®.
