Ways to Support Your Academy16

Engage Through Social Media17

Welcome From Janice C. Law, MD, 2019 YO Committee Chair

Dear Colleague,

I cordially invite you to attend AAO 2019 in San Francisco, Oct. 12-15, the world's most comprehensive ophthalmic meeting. The Academy's annual meeting provides YOs with educational and networking opportunities to help you prepare for tomorrow's clinical challenges.

The exclusive education and resources for YOs at AAO 2019 is unparalleled. I encourage you to attend the 2019 YO Program, the premiere event for YOs. This three-part program will help you tackle your toughest clinical challenges — as well as topics not covered in residency and fellowships — and introduce you to strategies to successfully navigate your career. View the full 2019 YO Program description and schedule on pages 7-8 of this brochure.

Whether this is your first or fifth annual meeting, use this brochure to help guide your meeting experience. You'll find listings of daily YO Lounge Power Hours offering expert consultations as well as course recommendations hand-selected by the YO Committee. Make the most of educational opportunities as well as social events including the Global YO Reception where you can celebrate and network with YOs from around the globe. Plus, take advantage of special discounts available only to YOs.

On behalf of the YO Committee, we look forward to seeing you in San Francisco.

Sincerely,
Janice C. Law, MD

Ways to Support Your Academy

2019 Orbital Gala: Honor Dr. Spivey on our “Hollywood” Red Carpet

The Palace Hotel

Sunday, Oct. 13 | 6 – 10 p.m.

Business/cocktail/Hollywood-themed attire
YOs save 50% off the regular ticketed price.

This year’s Hollywood-themed gala at the iconic Palace Hotel will be one to remember! Raise a glass to honor Bruce E. Spivey, MD, for his leadership in the field of ophthalmology. Dine, dance, enjoy live entertainment and get great silent auction deals. Proceeds will support the Academy’s educational, quality of care and service programs. Purchase tickets at aao.org/gala.

Help Underserved Patients

EyeCare America® provides eye care to U.S. citizens and legal residents through volunteer ophthalmologists, often with no out-of-pocket cost to those who qualify. Since 1985, the program has helped more than 2 million people. As a volunteer, you can make a meaningful difference in the lives of these patients, with a minimal time commitment and without leaving your office. Learn more about the program and enroll at aao.org/volunteer.

EyeCare America Volunteer Reception

Residents who have pledged to volunteer on entering practice are invited to mingle and learn firsthand how satisfying the experience can be.

Join us at this reception to honor our EyeCare America volunteers on Saturday, Oct. 12, 3:30 – 4:30 p.m. at the Truhlsen-

Marmor Museum of the Eye, West, Booth 7037. If you haven’t yet pledged to volunteer, you can do so at the Foundation desk in the Academy Resource Center, West, Booth 7337.

Surgical Scope Fund

State legislatures across the country are putting eye care at risk by giving surgical privileges to underqualified health care practitioners. Through your confidential contributions to the Academy’s Surgical Scope Fund, you provide ophthalmologists in threatened states with the best lobbyists and contribute to public outreach campaigns that remind voters and lawmakers what’s at stake. Give to the Surgical Scope Fund at aao.org/ssf and help ensure your patients continue to have access to the highest quality of surgical eye care — Surgery by Surgeons.

OPHTHPAC®

OPHTHPAC represents the profession of ophthalmology to the U.S. Congress and advocates for you, your practice and your patients. OPHTHPAC protects you from burdensome regulations and unfair legislation, and it promotes funding for vision research and expanded inclusion of ophthalmology in public and private programs. Help ensure our voice is heard in Washington, D.C. — invest today at aao.org/ophtbpac or text EYEYO at 41444.
