OF OPHTHALMOLOGY®

Ophthalmic Business Council

2020 - 2021 | Connecting Academy and industry leaders for more than 25 years

Protecting Sight. Empowering Lives.®

Lead the conversation

The Ophthalmic Business Council (OBC) is an excellent way for leaders in the ophthalmic community to connect and share ideas. Membership in the OBC gives you the opportunity to:

- Collaborate with key stakeholders on ways to **improve patient care**
- **Network face-to-face** with Academy leaders, physicians and industry experts
- Engage in timely conversations about **critical issues facing ophthalmology**
- Successfully navigate **reimbursement and policy issues**

Symposia

OBC Fall Symposium
September 10-11, 2020
San Francisco

Held in conjunction with the Academy's Board of Trustees meeting, this event covers the timeliest and most relevant issues facing ophthalmology today. In-depth presentations and open-forum discussions allow you to hear from all perspectives: physician, industry, health policy and government. The Fall Symposium is the perfect way to gain meaningful insights from key players.

OBC Spring Symposium
April 22, 2021
Washington, D.C.

Hear the latest first-hand from experts on FDA, Medicare and reimbursement issues. As the speed of innovation grows, this event helps you navigate the complexities of introducing new technologies and treatments to patients

Priority Points – New: Earn Additional Points

As a better reflection of total corporate support, industry will receive additional priority points for Academy and Foundation sponsorship support and for aggregate advertising spend. Exhibitors and non-exhibiting companies will be able to accumulate up to an additional 10 points in each area for a total of 20 points.

Academy Sponsorship and Foundation Support

- Sponsoring any Academy programs
- Sponsoring any Foundation activity, including the Orbital Gala
- Membership in the Ophthalmic Business Council
- Making an in-kind asset-transfer donation to the Foundation (e.g., product donation to the Orbital Gala)

The points will be accumulated based on the following scale:

About the American Academy of Ophthalmology aao.org

The American Academy of Ophthalmology is the world's largest association of eye physicians and surgeons. A global community of 32,000 medical doctors, we protect sight and empower lives by setting the standards for ophthalmic education and advocating for our patients and the public. We innovate to advance our profession and to ensure the delivery of the highest-quality eye care.

About the American Academy of Ophthalmology Foundation aao.org/foundation

For more than 35 years, the Foundation of the American Academy of Ophthalmology has raised funds to support the Academy's educational, quality of care research and service programs. These include the Ophthalmic News and Education (ONE®) Network, the Hoskins Center for Quality Eye Care, Truhlsen-Marmor Museum of the Eye™, and the award-winning public service program, EyeCare America®.

“The OBC fosters collaboration, generates ideas and raises awareness about a wide range of topics impacting both the clinical and business sides of ophthalmology.”
