# Ophthalmic Business Council

2019 - 2020 | Connecting Academy and industry leaders for more than 25 years

Protecting Sight. Empowering Lives.®

# Lead the conversation

The Ophthalmic Business Council (OBC) is an excellent way for leaders in the ophthalmic community to connect and share ideas. Membership in the OBC gives you the opportunity to:

- Collaborate with key stakeholders on ways to **improve patient care**
- **Network face-to-face** with Academy leaders, physicians and industry experts
- Engage in timely conversations about **critical issues facing ophthalmology**
- Successfully navigate **reimbursement and policy issues**

# 2019 Symposia

## **OBC Spring Symposium April 11, 2019 Washington, D.C.**

Hear the latest first-hand from experts on FDA, Medicare and reimbursement issues. As the speed of innovation grows, this event helps you navigate the complexities of introducing new technologies and treatments to patients.

## **OBC Fall Symposium September 5-6, 2019 San Diego**

Held in conjunction with the Academy's Board of Trustees meeting, this event covers the timeliest and most relevant issues facing ophthalmology today. In-depth presentations and open-forum discussions allow you to hear from all perspectives: physician, industry, health policy and government. The Fall Symposium is the perfect way to gain meaningful insights from key players.

## **About the American Academy of Ophthalmology**

**[aao.org](http://aao.org)**

The American Academy of Ophthalmology is the world's largest association of eye physicians and surgeons. A global community of 32,000 medical doctors, we protect sight and empower lives by setting the standards for ophthalmic education and advocating for our patients and the public. We innovate to advance our profession and to ensure the delivery of the highest-quality eye care.

## **About the American Academy of Ophthalmology Foundation**

**[aao.org/foundation](http://aao.org/foundation)**

For more than 35 years, the Foundation of the American Academy of Ophthalmology has raised funds to support the Academy's educational, quality of care research and service programs. These include the Ophthalmic News and Education (ONE®) Network, the Hoskins Center for Quality Eye Care, Museum of Vision®, and the award-winning public service program, EyeCare America®.

"The OBC fosters collaboration, generates ideas and raises awareness about a wide range of topics impacting both the clinical and business sides of ophthalmology."
