LEADERSHIP DEVELOPMENT PROGRAM

OVERVIEW

LDP XXIV
Class of 2023

LEADERSHIP DEVELOPMENT PROGRAM | OVERVIEW

MISSION STATEMENT

The purpose of the Leadership Development Program is to provide both orientation and skill development to future leaders of state, subspecialty and specialized interest societies.

PROGRAM GOALS

- a) Identify individuals with the potential to become leaders in Ophthalmology.
- b) Provide orientation and skills to allow potential leaders to promote Ophthalmology locally, nationally and internationally.
- c) Facilitate the promotion of program graduates into leadership positions locally, nationally and internationally.

GUIDELINES FOR PARTICIPATION

- a) Only state, subspecialty, and specialized interest societies may submit a program participation nomination to the Leadership Development Program Selection Committee.
- b) A state, subspecialty or specialized interest society may nominate one ophthalmologist member to participate.
- c) Nominee must be a current member of the nominating state, subspecialty or specialized interest society and must be a member in good standing of the American Academy of Ophthalmology.
- d) Nominee must have a minimum of three years membership in the nominating state, subspecialty or specialized interest society.
- e) Nominee must agree to participate in all elements of the Leadership Development Program as noted in the program outline (i.e., attend all designated meetings, etc.)
- f) Nominee must agree to develop a project over the course of his/her participation in the program that will benefit the nominating state, subspecialty or specialized interest society. Participant will identify and outline the project in January 2023, and will submit an abstract describing the project goals, objectives and status in August 2023.
- g) Cost for participation will be shared by the American Academy of Ophthalmology, the nominating state, subspecialty or specialized interest society and the individual participant (see "Cost Sharing" chart on page 3).
- h) Estimated annual Leadership Development Program class size: 18-20 participants.

PARTICIPANT SELECTION

- a) The Leadership Development Program Selection Committee will review and select participants based on completed nomination forms postmarked by May 2, 2022 (incomplete forms or forms postmarked after May 2, 2022 will not be eligible for review).
- b) Selected participants and their nominating state, subspecialty or specialized interest societies will be notified by the Leadership Development Program Selection Committee immediately following the Committee's participant selection decisions.
- c) Nominees who are not selected for the Leadership Development Program class (LDP XXIV, Class of 2023) may be re-nominated the following year.

PHILOSOPHY | PRACTICE | PRINCIPLES

LEADERSHIP DEVELOPMENT PROGRAM | OVERVIEW

PROGRAM OUTLINE

The Leadership Development Program (LDP XXIV, Class of 2023) participants will attend the following sessions:

a. SEPTEMBER 30 - OCTOBER 3, 2022, AAO 2022, Chicago, Illinois

THURSDAY, SEPTEMBER 29, Council Meeting (3:00 p.m. – 6:30 p.m.)

SATURDAY, OCTOBER 1, Leadership Development Program Orientation Session (7:00 a.m. – 9:00 a.m.)

SUNDAY, OCTOBER 2, Society Presidents' Breakfast & Recognition Awards (7:00 a.m. – 8:30 a.m.)

- Participants will be invited to attend the Council Meeting as special guests.
- Participants will attend a 2 hour orientation session of the Leadership Development Program.
- Program participants will be invited to attend and will be recognized at the Society Presidents' Breakfast & Recognition Awards.

b. JANUARY 12 - 15, 2023, Leadership Development Program, San Francisco, California

- Participants will visit the American Academy of Ophthalmology headquarters and receive an orientation from the Academy's President, CEO, and staff vice presidents.
- Participants will participate in interactive workshops on association management and leadership topics, which may include communication, political advocacy, media relations, professionalism, effective negotiations, delegation, efficient committee meetings and other pertinent topics.
- Participants will be provided opportunities to network informally with their classmates and Academy leaders during social events.
- Participants will join members of the Pan-American Association of Ophthalmology leadership development program in interactive sessions and social events.

c. APRIL 19 - 22, 2023, Academy Mid-Year Forum, Washington, D.C.

- Participants will attend the Academy's Mid-Year Forum 2023 which serves to educate the leaders about critical issues facing ophthalmology, to inform them about how issues are being addressed, and to obtain feedback.
- Participants will attend Congressional Advocacy Day, where they will meet with Federal legislators and their staffs to discuss issues of concern to ophthalmology. The evening before Advocacy Day, participants will attend a dinner briefing where they will receive training on building relationships with legislators and how to effectively advocate on behalf of the Academy, ophthalmology and patients.
- Participants will attend a special LDP session relevant to timely legislative and regulatory issues.
- Participants will attend politics, policy and practice management sessions, which focus on changes that impact how you practice, and developing key strategies for successfully implementing new programs into your patient-care approach.

d. NOVEMBER 3 - 6, 2023, AAO 2023, San Francisco, California

THURSDAY, NOVEMBER 2, Council Meeting (3:00 p.m. – 6:30 p.m.)

SATURDAY, NOVEMBER 4, Leadership Development Program Final Session (7:00 a.m. – 9:00 a.m.)

Global Leadership Development Program Alumni Reception (6:00 p.m. – 7:30 p.m.)

SUNDAY, NOVEMBER 5, Society Presidents' Breakfast & Recognition Awards (7:00 a.m. – 8:30 a.m.)

- Participants will be invited to attend the Council Meeting as special guests.
- Participants will attend a 2 hour final session of the Leadership Development Program.
- Participants will be invited to attend a reception for participants and alumni of the Academy's LDP and global leadership development programs.
- Participants will be formally recognized at the Society Presidents' Breakfast & Recognition Awards program.
- Program graduates will be formally recognized during AAO 2023 for their successful completion of the LDP.

LEADERSHIP DEVELOPMENT PROGRAM | OVERVIEW

PROGRAM RECOGNITION

- Participants who successfully complete all elements of the program will receive one (1) Achievement Award point from the American Academy of Ophthalmology
- Participants who complete the program will be highlighted in the Academy’s quarterly e-newsletter, LDP Alumni Newsletter
- Nominating societies with participants who have completed the program will receive a template article highlighting the participant’s completion of the program for inclusion in their society’s publications and/or website.
- Academy leaders will formally recognize each LDP graduate before their peers and society leaders during the Academy’s annual meeting.
