

Headrest Cover Template

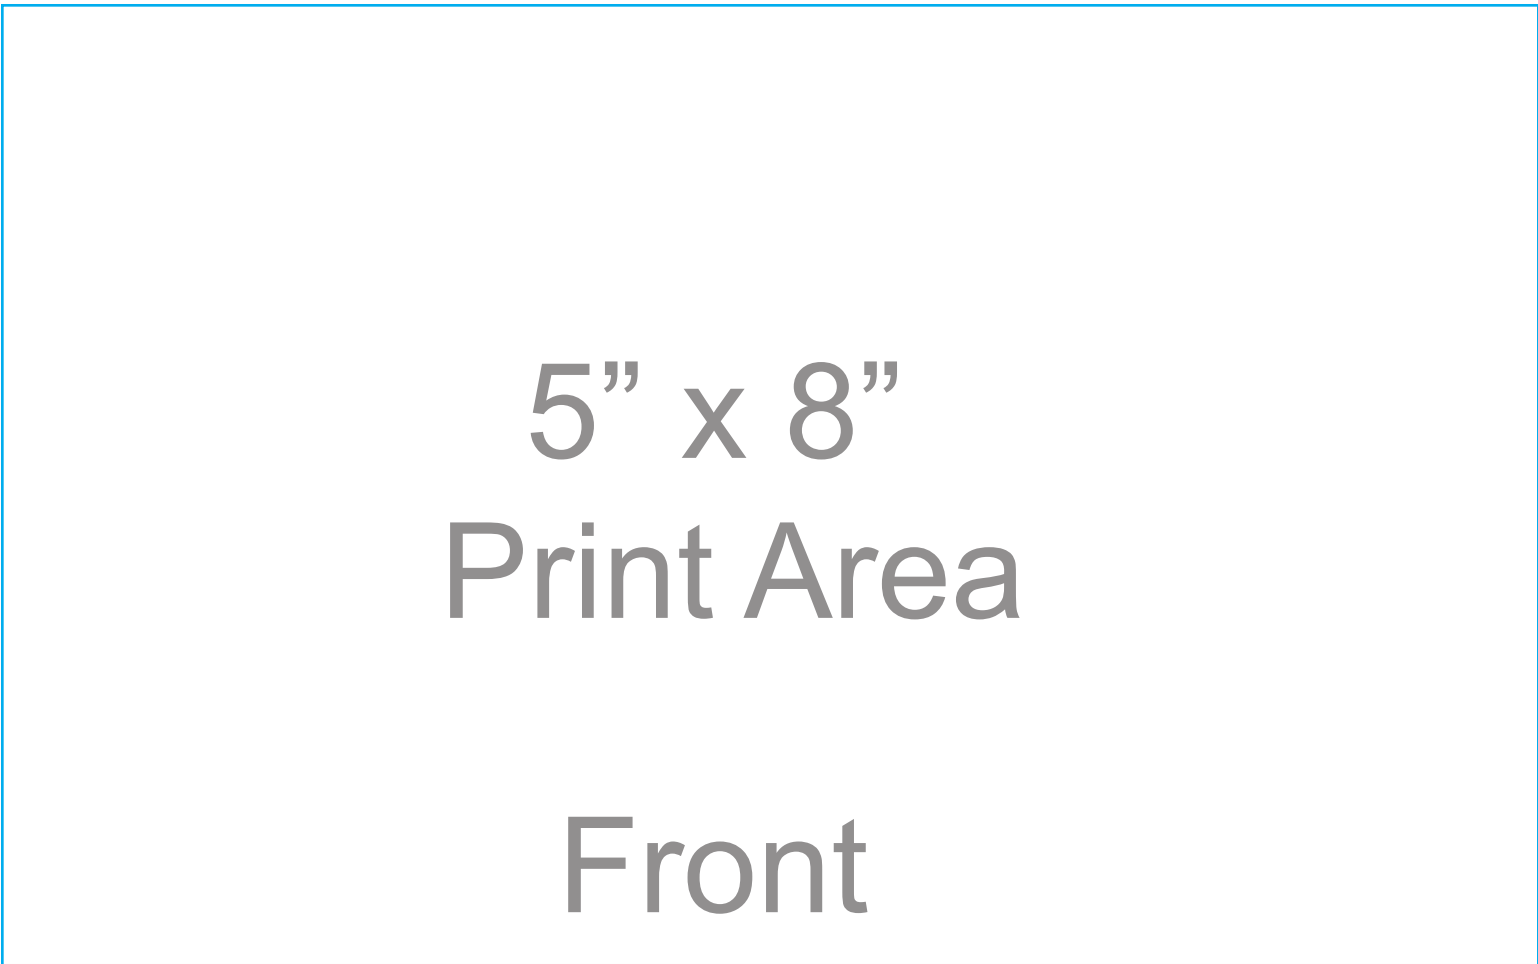

KUSHNER
& ASSOCIATES
Meeting and Convention Transportation

- 1. We recommend creating your designs on this Adobe template using the “Design Here” layer.
- 2. Build all artwork in an RGB color space. (This template is set to RGB)
- 2. At 5” x 8” Artwork should be no less than 150dpi
- 3. Call out all PMS colors. (Best if you build art using PMS Solid Color Book swatches).
- 4. ALL fonts must be converted to “Outlines” or paths.
- 5. Acceptable file types include: .EPS, .AI (All versions), .PDF, .PSD.
