

JOIN US AT AAO 2020 VIRTUAL CONGRESS

We are thrilled to be attending this year's American Academy of Ophthalmology (AAO) 2020 virtual congress, **Friday, November 13 - Sunday, November 15.**

We have **several events and data presentations** that we invite you to attend. Please visit our **medical booth in the exhibition hall** where you can find out more information on geographic atrophy and contact our medical team with any questions you may have.

We wish you an enjoyable time at this year's prestigious AAO 2020 and we look forward to meeting you there.

Kind regards,

Cedric Francois
Chief Executive Officer (CEO)

DATA PRESENTATIONS

We would also like to bring your attention to two scientific presentations at the **AAO 2020**. AAO 2020 explores the latest research, treatments, and thought leadership within specific subspecialties.

Retina SubSpecialty Day, Late breaker Presentation
Dr. Ehsan Rahimy
Available on-demand
Evaluation of Geographic Atrophy (GA) Secondary to AMD in Real-World Clinical Practice: Analysis of the AAO IRIS Registry

Poster Presentation
Dr. David Lally
Available on-demand
Assessment of Geographic Atrophy Progression in the FILLY Study

SHOWCASE SESSIONS

We will be holding a **Showcase Series** of three presentations during the congress, each introduced by Cedric Francois and followed by a scientific presentation and a **live Q&A session** - providing you with an opportunity to ask questions directly to our speakers.

Cedric Francois, M.D., PhD, CEO, Apellis Pharmaceuticals

Dr. Rishi Singh
Friday, November 13, 6:00 am & 4:30 pm PST
Geographic Atrophy: Pathophysiology and Unmet Need

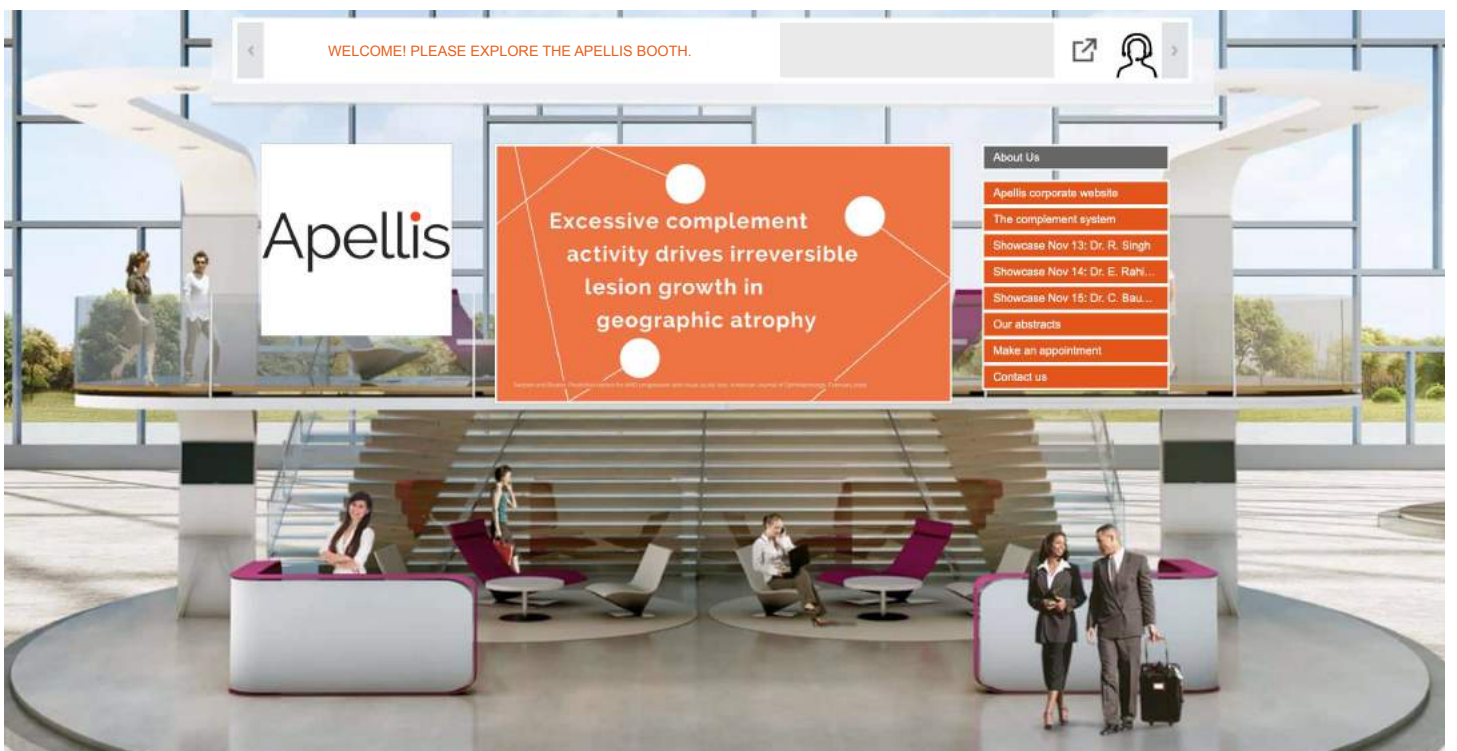

Dr. Ehsan Rahimy
Saturday, November 14, 10:35 am & 2:35 pm PST
New findings from the IRIS registry: evaluating Geographic Atrophy in real-world clinical practice

Dr. Caroline Bauml
Sunday, November 15, 9:40 am & 2:05 pm PST
Geographic Atrophy: The role of the complement system in Geographic Atrophy

APELLIS CONGRESS BOOTH

Please do come and visit us at our booth in the first room of the **Exhibition Hall** to learn more about **Apellis and Geographic Atrophy**, and don't forget to invite your colleagues too!
